## **Cloud Consulting Partners, Inc. Announces Addition of Dwight Jones as Vice President of Professional Services**

(Rancho Mirage, CA) - Cloud Consulting Partners, Inc. announced today the addition of Dwight Jones, Vice-President of Professional Services to their team. Active as a Human Capital Management Professional for many years, Jones has an enviable level of skill and knowledge when it comes to SuccessFactors HCM by SAP. Whether he is managing projects, configuring modules or working with clients on integration strategies, Jones has a reputation for paying attention to the details and being a pleasure to work with.

As Vice-President of Professional Services, Jones will act as the lead for the Cloud Consulting Partners, Inc. consulting division. A busy division filled with longtime experienced professionals, Jones' vast management experience across multiple elements of SuccessFactors and SAP HCM will be a complementary addition and will add an exciting new dimension for future growth to Cloud Consulting Partners, Inc.

"I am delighted to jump into this new challenge with Cloud Consulting Partners, Inc." said Jones. "I have thoroughly enjoyed all my interactions with Cloud Consulting and with Amy Grubb over the past several years. They have a great reputation in the industry – it's going to be fun to work with such a developed practice. The opportunity to collaborate with such a respected team is really exciting."

Always generous in sharing his knowledge, Jones has participated as a presenter at various HCM conferences and has crafted several industry specific articles. A native Texan, Jones is a Fort-Worth area family man who has a passion for HR and Talent Management. Jones worked for 14 years as a dedicated HR systems specialist for a local Technology company. He has spent the last eight years working in the SAP HCM talents consulting space, including the last five as the Lead of the SuccessFactors practice at AspireHR.

"Having Dwight Jones as our Vice-President of Professional Services is a notable moment in the story of our company," said Amy Grubb, CEO of Cloud Consulting Partners. "Dwight's knowledge and experience are fantastic, but his approach to consulting is a perfect fit for Cloud Consulting Partner's model of clients first. I feel like we've really achieved quite a coup."

As a leader in the HCM industry, CEO of Cloud Consulting Partners, Amy Grubb wrote the book on utilizing SuccessFactors (*SuccessFactors with SAP ERP HCM, 2015 second edition*), and has a team of leading industry experts with her at Cloud Consulting Partners, Inc. A key figure in the industry, Ms. Grubb travels globally to speak at industry events, provide consulting and project oversight, and training.

*Cloud Consulting Partners, Inc.'s business focuses on SuccessFactors HCM by SAP, a specific product in the Human Capital Management (also referred to as HCM/HR/Human Resources/Talent Management) industry. As a reseller and implementation partner Cloud Consulting Partners offers subject matter expertise, a very personal relationship and direct line of communication as they help their clients develop and utilize an HCM system.*
